Project Description:

New Building Addition

Altoona VA Medical Center

Altoona, Pennsylvania

Department of Veterans Affairs

Mr. Danny Sanders

1500

\$870,000.00

Winter 2010

The project required the design of a new office addition to the existing facilities division offices. The design incorporated private offices for seven new staff, upgraded mechanical systems, new lighting systems and lighting controls. Additionally, the project provides for sprinkler protection in the new and existing spaces and for improved site drainage and landscaping.
