Altoona VA Medical Center  
Mr. Jerry Metzgar  
N/A  
\$300,000  
Fall 2010

This project will update the existing security technology systems apparatus at the James E. VanZandt Medical Center. This was done by introducing new security systems and improving existing security technology that directly impact overall security operations. The project scope includes: door access, duress alarm, exterior cameras, and police mobile radios.
